### 3 Conclusion

The following test results do not fulfil the limit values:

None

The test results and the documents provided show that the requested article group can be certified according to Oeko-Tex® Standard 100 product class I. This test report does not replace the certificate.

According to Oeko-Tex® regulations the authorisation will be valid till **2018-04-30**.

The use of the label is only permitted based on a valid certificate and according to the regulations in the Oeko-Tex® Standard 100. Particularly the use of the label is only permitted during the certification period for articles in the certified article group compliant with the limiting values. The label has to bear the licence number and control name of the institute given on the certificate. Furthermore the use of the Oeko-Tex® mark is only allowed after full settlement of invoices for testing fees and certification costs.
